

Ek Allah Vale Ki Qabar Me Quran Ae Paak Ki Tilavat

Hazrat Mufti Ahmad Khanpuri (db)

Hadis Ke Islahi Mazamin Urdu se iska lipyantaran kiya he.

Bismillahirrahmanirrahim

Ek Allah vale the Allah taala ne unko kashfe kubur ataa farmaya Allah ke baz bande aise hote he ke kabar me murdo par kya halat gujarte he Allah taala unpar khol dete he usko kaife kubur kehte he.

Ek kabar ke pas se unka gujar huva aur unko mehsus huva ke ye sahibe kabar kuran pak ki tilavat kar raha he issi halat me unhone kabar vale se puchha ke hamne to suna he ke adami ka jab intikal ho jata he to uske amal ka silsila khatam ho jata he aur ham to dekh rahe he ke aap

kabar ke aandar kuran pak ki
tilavat kar rahe he.

To unke javab me, sahibe
kabar ne kaha ke baat darasal
ye he ke jab mera intikal huva aur mujhe
dafan kiya gaya jaise ke hadis me aata he
ke adami ko dafan karke jab log chale jate
he to Allah taala ki taraf se do farishte
aate he aur saval karte he ke tumhara rab
kaun he tumhara deen kya he aur
Rasulullah ﷺ ke mutallik puchhte he ke
unke bare me tumhara kya aqida he tum
kya kehte ho jab usne unke sare javabat
de diye to goya imtihan me kamyab ho
gaya, to Allah taala ki taraf se mujhe
batlaya gaya ke tum kamyab ho lekin
chuki ye ek barzkh ka daur he jo tumhe
yahi gujarna he jab tak ke kayamat

kayim na ho ab yaha tumhare
is kayam ke dauran apne liye
agar koi mashguli tajvij karna
chaho to meri taraf se uski
ijazat he.

To mene kaha ke mujhe duniya ke
aandar kurane pak ki tilavat se bade
sagaf tha aur hamesha ussi ko pasand
karta tha to yaha par bhi mujhe kuran
pak padhne ki ijazat di jaye chunanche
mujhe uski ijazat de di gayi, aur jab se
dafan huva hu tab se is vakt tak 70 hazar
kuran khatam kar chuka hu,

Fir aaghe ek baat kahi ke agar aap apna ek
subhanallah mujhe dede to me ye 70
hazar kuran aap ko dene ke liye taiyar hu,
unhone puchha ke baat kya he, to javab
diya ke baat darasal ye he ke mene 70

hazar kuran padhe he na vo
sab time pass he uske upar
mujhe koi savab nahi milta ye
savab to us vakt tak he jab tak

ham is zamin ke upar chal rahe he aur
maut nahi aayi he us vakt tak jo amal
kareng unhi ka savab milega ye jo kabar
me, mene itne kuran khatam kiye us par
mere nama e amal me ek bhi neki nahi
badhi he, vo to vahi he jaha meri maut ke
vakt tha aur tumhara har subhanallah
tumhari nekiyo me izafae ka bais he.

Karle Jo Karna He Aakhir Maut He

Hazrat Abdullah bin Umar (rd) bade
jalilul kadar sahabi he ek martaba jaa
rahe the ke ek kabar ke upar nazar par
gayi to apni savari se utre aur do rakat
namaz ki niyat bandh li namaz se farig

huve to log samjhe ke shayad
kabar vala aap ka koi dost
hoga aziz hoga jiske isale
savab ke liye ye namaz padhi
hogi puchha kya baat he to apne javab
diya ke jab meri nazar us kabar par padi
to mujhe Rasulullah ﷺ ka ye irshad yaad
aa gaya ke, adami ka jab intekal ho jaye to
kabar me chala jayega to vaha jakar
tamanna karega ke kash mujhe do rakat
padhne ka mauka milta to mujhe ye
kabar dekhkar Rasulullah ﷺ ka ye irshad
yaad aa gaya to mene socha ke abhi to me
zinda hu mere pas mauka he to mene
utar kar do rakat namaz padhli.
